### Objective:

I want to improve my skills as a software developer, and expand my knowledge in the tech field. I also want to work in a video game company.

### Education:

Base Camp Coding Academy | Water Valley, MS | Graduating May 2026

- A non-profit organization where students earn a scholarship after passing the application process.
- A fast-paced, year-long program covering coding languages, frameworks, and professionalism.
- I'm also in the video game development club where we work as a group to make a video game.

Vardaman Attendance Center | Vardaman, MS | Graduated May 2025

- Special Honors
- Beta Club (2021 - 2025)

### Technical Skills:

Python, HTML, CSS, DJango, Javascript, React, Java, Spring, SQL, Godot

### Soft Skills:

- Bilingual in English and Spanish.

### Volunteered Work:

- Worked with Vardaman High school's soccer team fundraiser to help move things for college students into their dorms.
- I worked in the concession stand of my school's soccer team, taking orders and managing money.
